

Doctoral Programmes in Public Health and Social Science (DPPHSS)

KICK-OFF MEETING *Tbilisi, February 16-17, 2019*

OUTCOMES

1. Partner countries should prepare and send to EU universities **Report on current status and needs assessment** (including list of equipment).
Deadline: **March 31, 2019**
2. EU partners should **review** and comment and write suggestions/recommendations to the reports (including draft course structure and equipment).
Deadline: **April 15, 2019**
3. Partner country universities (AM and GE) should organize **dissemination meeting** with local stakeholders. Should be properly documented and reported. Can be combined by both universities or done separately.
To be organized before **March 30, 2019**
4. EU Partners should suggest **topics of trainings** and tentative dates and durations.
Partner countries will then identify participants and send their profiles to define the level of trainings.
Trainings should be finalized by mid 2020.
Deadline: **April 15, 2019**
5. YSMU starts development of project **website**. All partners should contribute with relevant information.
Deadline: **March 31, 2019**
